

**Annex Q (Training and Exercises) to the Hampton Roads Metropolitan Medical Response System Plan – HRMMST Training Matrix**

**C. Hampton Roads Metropolitan Medical Strike Team Training Matrix**

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Task Force Leader	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	Intermediate Incident Command (IS-300) National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations Incident Safety Officer
	Additional	Advanced Incident Command (IS-400) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Deputy Task Force Leader/ Operations Section Chief	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	Intermediate Incident Command (IS-300) National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 3 – Medical Equipment Cache Strike Team Operations Module 4 – Warm Zone Patient Care Strike Team Operations Module 5 – Monitoring/Detection Strike Team Operations Module 6 – Decontamination Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations Incident Safety Officer
	Additional	Advanced Incident Command (IS-400) Hazardous Materials Operations Advanced Hazardous Materials Life Support (AHLS) Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)

**Annex Q (Training and Exercises) to the Hampton Roads Metropolitan Medical Response System Plan – HRMMST Training Matrix**

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Plans Section Chief	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	Intermediate Incident Command (IS-300) National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Incident Safety Officer Advanced Incident Command (IS-400) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Logistics Section Chief	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	Intermediate Incident Command (IS-300) National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 7 – Truck/Trailer Operations Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning Strike Team Operations Module 11– Logistics Support (BoO) WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Incident Safety Officer Advanced Incident Command (IS-400) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)

**Annex Q (Training and Exercises) to the Hampton Roads Metropolitan Medical Response System Plan – HRMMST Training Matrix**

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Safety Officer	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	Intermediate Incident Command (IS-300) National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations Incident Safety Officer
	Additional	Advanced Incident Command (IS-400) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3) Strike Team Operations Module 4 – Warm Zone Patient Care Strike Team Operations Module 5 – Monitoring/Detection

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Operational Medical Director	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	Intermediate Incident Command (IS-300) National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Advanced Incident Command (IS-400) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3) Strike Team Operations Module 3 – Medical Equipment Cache Strike Team Operations Module 4 – Warm Zone Patient Care Strike Team Operations Module 5 – Monitoring/Detection Strike Team Operations Module 6 – Decontamination

**Annex Q (Training and Exercises) to the Hampton Roads Metropolitan Medical Response System Plan – HRMMST Training Matrix**

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Technical Information Specialist	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Intermediate Incident Command (IS-300) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3) Strike Team Operations Module 3 – Medical Equipment Cache Strike Team Operations Module 4 – Warm Zone Patient Care Strike Team Operations Module 5 – Monitoring/Detection Strike Team Operations Module 6 – Decontamination Advanced Hazardous Materials Life Support (AHLS)

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Law Enforcement Operations Group Supervisor	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	Anti-Terrorism Officer National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Intermediate Incident Command (IS-300) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)

**Annex Q (Training and Exercises) to the Hampton Roads Metropolitan Medical Response System Plan – HRMMST Training Matrix**

Law Enforcement Operations Specialist	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	Anti-Terrorism Officer National Response Plan (IS-800) Strike Team Operations Module 2 – PPE WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Intermediate Incident Command (IS-300) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Public Health Operations Group Supervisor	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) S Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Intermediate Incident Command (IS-300) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)
Public Health Operations Group Specialist	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	National Response Plan (IS-800) Strike Team Operations Module 2 – PPE WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Intermediate Incident Command (IS-300) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)

**Annex Q (Training and Exercises) to the Hampton Roads Metropolitan Medical Response System Plan – HRMMST Training Matrix**

<u>Position</u>	<u>Category</u>	<u>Training Course</u>
Hospital Operations Group Supervisor	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	National Response Plan (IS-800) Strike Team Operations Module 2 – PPE Strike Team Operations Module 9 – Satellite/Network System Strike Team Operations Module 10 – Disaster Medical Action Planning WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Intermediate Incident Command (IS-300) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)
Hospital Operations Group Specialist	Pre-deployment	Basic Incident Command (IS-100, IS-200) National Incident Management Systems (IS-700) Strike Team Operations Module 1 – Concept of Operations Mass Casualty Management-Awareness Hazardous Materials-Awareness Emergency Response to Terrorism- Awareness
	Core-Component	National Response Plan (IS-800) Strike Team Operations Module 2 – PPE WMD Antidote Kit Training (TEMS on-line) MCI Management 2 – Operations
	Additional	Intermediate Incident Command (IS-300) Hazardous Materials Operations Incident Response To Terrorist Bombings – Awareness Prevention and Response to Suicide Bombings – Awareness Public Safety Response to Terrorism – Mgmt Considerations Radiological Emergency Management (IS-3)
