

International Trauma Life Support (ITLS) Basic Course

(Formerly known as “BTLS”)

About ITLS: ITLS is accepted internationally as the standard training course for prehospital trauma care. The ITLS Basic Course provides the core of knowledge and skills appropriate for all levels of EMS personnel, including EMT-Bs, first responders and other technicians.

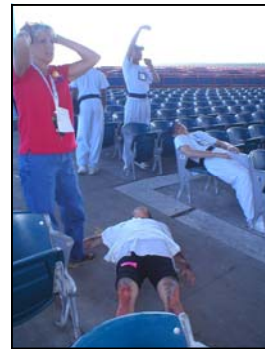

Each ITLS course includes a comprehensive manual. The manual enhances your learning experience with in-depth content, photos, and illustrations. ITLS courses combine classroom learning and hands-on skill stations. Scenario assessment stations enable you to put your learning to work in simulated trauma situations.

Prerequisites: None.

CEU's: **ALS Providers** will receive 16, Category 1 CEUs, which will fulfill all of the required trauma CEUs for both Virginia and NREMT certifications. **BLS Providers** will also receive 16 CEUs, however the category and areas have not been determined at the time of printing.

Course Dates & Times:

- ◆ Saturday & Sunday, February 9-10, 2008 from 0900-1700
- ◆ Saturday & Sunday, May 24-25, 2008 from 0900-1700
- ◆ Saturday & Sunday, August 16-17, 2008 from 0900-1700
- ◆ Saturday & Sunday, October 18-19, 2008 from 0900-1700

Location: All courses will be held at the Kent J. Weber Emergency Response Training & Simulation Center, 6353 Center Drive, Norfolk, VA 23502.

Cost: \$125 tuition for both the course and textbook; \$75 for the course only (if you bring your own book.) **Note:** Every student must have a textbook.
